

Earn Your Vision Quest Academic Patch!

It's that time of year – it's time to head back-to-school! Vision Quest is excited to support our students as they embark on their academic journey! VQ students can earn their "Academic Achievement Patch" by setting and accomplishing an academic goal at the beginning of the quarter/semester/trimester.

- It must be approved by a VQ staff member/instructor AND a parent/guardian.
- The goal must be specific, for example, "I want to get at least 80% in my math class at the end of the semester."

NOTE: If the school does not use an A, B, C grading system, use the grading system that the school does.

- One academic goal per quarter/semester/trimester.
- Once the goal has been reached, it must be signed off by a teacher AND parent/guardian.

Please see Ms. Shannon if you have questions!
