

Vision Quest Martial Arts is excited to provide birthday parties and other special events on Saturday afternoons or evenings! If you think our instructors are great in class, wait until you see them at a party! Parties include a special class, drills obstacle course, karate headbands, pizza, juice and the Karate cake cutting ceremony, during which the special birthday boy or girl cuts their cake with a Samurai sword! We also offer an invitation service: we will print and send out custom Vision Quest invitations to all your guests. Just provide us the guest list and relax knowing you are in capable and experienced hands.
